

You may be ready for a step in your spiritual growth where you sit down with a Christian counsellor to help you navigate an area of your life you desire special assistance in. It might be a long-standing issue or a crisis that has arisen.

The leadership team at Connexus is pleased to share this list of counsellors who are available to work with people from Connexus who may need or desire extra care in their journey.

All counsellors work on a reasonable fee for service basis, and the individual being counselled would be responsible for that fee. In extenuating circumstances, Connexus has a small fund that can help defer counselling costs. For more information, please contact the office at 705.721.9090 or e-mail [hello@connexuschurch.com](mailto:hello@connexuschurch.com).
